

# Change Limit on UOB Personal Internet Banking Guidelines

List of Limit types that you can customize:

**Daily limit (maximum amount you can transfer per day):**

- Funds Transfer to Other Bank account.
- Funds Transfer to Other UOB account.
- Funds Transfer to Own UOB account.

**Monthly limit (maximum amount you can transfer every month):**

- Bill Payment

**SecurePlus Token authentication limit**

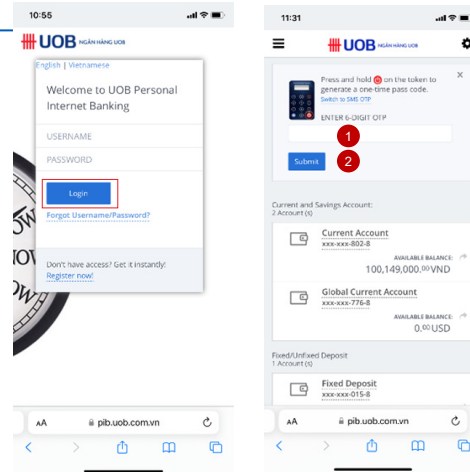

- Bill Payment
- Funds Transfer

## Step 1: Login Internet banking account on website version

- >Go to [www.uob.com.vn](http://www.uob.com.vn) > select LOGIN
- >Select UOB PERSONAL INTERNET BANKING.
- >Input your username & password
- >Click **Login**

**Authorize the login:**

- (1) Follow on-screen instruction to generate OTP from SecurePlus Token device.
- (2) Input OTP & click **Submit**.

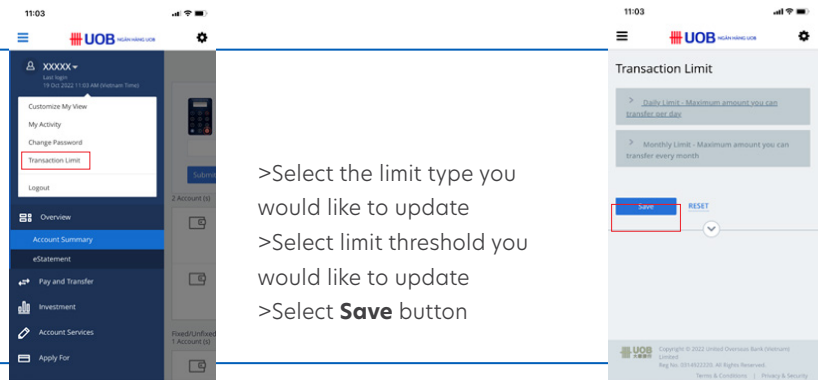

## 1/ To update Daily/ Monthly limit:

### Step 2: Change limit

- >Click the hamburger icon at upper left corner
- >Click drop-down button under profile icon
- >Select **Transaction Limit**

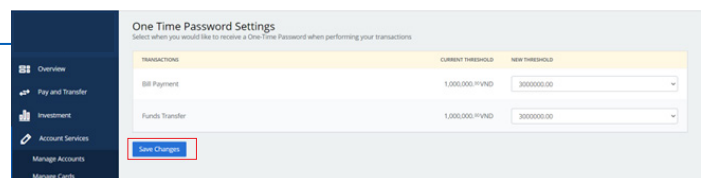

- >Select the limit type you would like to update
- >Select limit threshold you would like to update
- >Select **Save** button

## 2/ To update the SecurePlus Token authentication limit:

### Step 2: Change limit

- >Go to Account Services >Select Manage Token
- >Select desired threshold >Click **Save Changes**

## Step 3: Check detail & Authorize the limit change

### If new limit is higher than existing limit

- >Change's detail displays.
- >Check detail & follow on-screen instruction to generate OTP from SecurePlus Token device
- >Input the 6-digit OTP & click **Authorize** to complete.

### If new limit is lower than existing limit

- >Change's detail displays on screen
- >Check detail & select **Confirm** to complete the limit change request.
