

Register UOB Personal Internet Banking

Step 1/5: Register

• For website browser version:

Go to www.uob.com.vn > select **LOGIN** > select UOB PERSONAL INTERNET BANKING

• For app version:

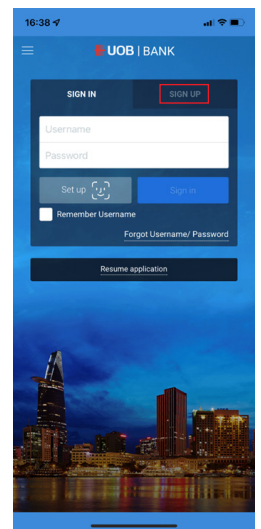

Go to app store on device

> Search or simply

scan following QR code to download

UOB **Mighty Vietnam**

> Select **Signup or Register Now**

Step 2/5: Provide required information

- Input ATM card number & personal information.

Note: please ensure your card is active.

- Tick box 'I agree to the terms and conditions'.

- Select **Next**.

Haven't activated card yet?

Please call our hotline at 1800599921 (domestic) or +842838989999 (overseas).

Step 3/5: Check and confirm mobile phone number to receive SMS OTP

4 digits of your registered mobile phone number are displayed on screen. We will be sending an OTP (one time password) to this mobile phone number.

- If it is correct, select **Next**.
- Otherwise, select **Cancel**.

To update your mobile phone number, please visit our branch to submit a request.

Step 4/5: Input OTP

- Input the OTP that is sent via SMS by UOB Vietnam.

Step 5/5: Set up your own Username & Password

- Create your Username
- Create & confirm your Password
- Select **Register**.

Now you have successfully registered Online Banking account with basic access (view account details). In order to have full access (bank transfer), please log in account and register the SecurePlus Token.

Register SecurePlus Token device

Step 1/5: Log in to your UOB Vietnam internet banking account website browser version
